Limited Warranty

Cosmilab warrants that all dental devices are made according to the provided clinical and manufacturer's specifications. If a device fails due to defects in materials or workmanship, the Lab will repair or replace it without charge for materials or labor, subject to the return and investigation of the device. Warranty periods are as follows:

Duty to Disinfect and Clean

Dentists must thoroughly clean all materials used in the mouth, removing blood and saliva, and disinfect them before sending them to the Lab. Upon return, materials must be disinfected again before being placed in the patient's mouth.

Products will be shipped via UPS unless otherwise agreed upon before shipment. Cosmilab assumes responsibility and risk for the shipment to the carrier, after which the dentist assumes responsibility for transportation costs and risks. Cosmilab does not guarantee the performance of independent carriers.

Dispute Resolution

Any dispute arising from this contract, its breach, or any disagreement between Cosmilab and the dentist shall be resolved through binding arbitration in New York, New York, under the American Arbitration Association Commercial Arbitration Rules. The arbitration will be conducted by a single arbitrator, and the resulting award may be entered into any court with appropriate jurisdiction. The Federal Arbitration Act will govern, as Cosmilab is engaged in interstate commerce. Discovery procedures will follow the applicable rules of the New York Civil Practice Law and Rules (CPLR).

Damages will be limited to the invoiced amount, and neither party shall be entitled to special, general, or consequential damages. The prevailing party shall be entitled to reasonable attorneys' fees and costs. If any provision of this agreement is deemed invalid, the remainder of the agreement will remain in effect, and the invalid provision will be reformed to be enforceable to the fullest extent permitted by law.
